Lab notifies GA1 Clinical Liaison Service (CLS) as per local protocol on the day of the result.

ON THE SAME DAY

- 1. CLS contact specialist team as per local protocol
- 2. Specialist team to CONTACT FAMILY (Parents should NOT be informed of a positive result if an appointment cannot be given for the same or next day e.g. parents should not be informed on a Friday unless an appointment is for that day or the Saturday. In this case contact should be deferred until after the weekend to the next working day).
- 3. Specialist team to organise review at specialist centre same day/next day
- 4. If unwell, liaise with local hospital for review and management
- 5. Specialist team to inform GP (as soon as practicable), send GA1 GP letter via fax / email
- 6. Specialist team to inform maternity services and health visiting services

FIRST REVIEW: FACE-TO-FACE - (within 24 hours of family contact)

- a) Consent for DNA testing to be obtained
- b) Take diagnostic samples*** and send to specialist centre laboratory (courier)
- c) Ensure adequate feeding
- d) Provide BIMDG emergency guidelines and glucose polymer. Instruct to take to hospital if unwell
